We are delighted to offer this unique traditional home that has been created with so much love and attention by it's owners. Located in the picturesque village of Skarinou, it is ideal for anyone who truly appreciates authentic Cypriot living in all it's splendour. Every corner, every room has been adorned with so much detail that it was an absolute pleasure to list this property.

The entrance leads into a very spacious courtyard and each room leads off from there, offering privacy in all the spaces. An upper level leads to a patio area where one can enjoy wonderful views of the village and hosts a separate bedroom with it's own shower.

One of the living rooms with a cosy fireplace can be considered as a family room and is adjoined to the kitchen/dining area. Another more formal living area can be used to entertain guests and leads to a full bathroom with laundry space. One of the bedrooms is a suite complete with seating area and private bathroom while the other is a spacious room with a double bed and shares a main bathroom.

Traditional taverns and agritourism is on the doorstep and there are many authentic village events to enjoy.

Skarinou is perfectly located within a twenty minute drive to Limassol and Larnaca with the main airport being a mere thirty minute drive away. A short drive also takes you to the wonderful beach areas of Zygi and Governor's Beach.

A truly special, serene place that you will not want to leave once you enter!
